# Dedicated TO LEO'S GOLD STAR ALUMNI

Some men gain fame by works of charity and mercy, others by the accumulation of wealth. Some gain it by the attainment of power, others by the superb development of their God-given talents. The young men to whom this book is dedicated have gained fame by an act set apart from all the above accomplishments—the sacrifice, not of the comforts of life or the means of life, but of life itself.

Some men attain fame only after years of effort with many wearisome hours of planning and in spite of many setbacks. These thirty three lads have gained it by a sudden, dazzling flash of supreme heroism.

Some secure a place in history by treachery and deceit, by dissimulation, hypocrisy and cupidity. These heroes have an abiding place in all our hearts by the noble and straightforward expending of that they prized most dear.

This book is dedicated also to the parents and families of these boys—to those who loved and appreciated them most. Their sense of loss is no less real because their loved one died in the noblest of causes. They carry the "sword of grief" within—a pain which all the world's medical science cannot alleviate. However, it is within the power of us all to assuage this cruel hurt with the spiritual ointment of prayer and the transcending balm of sympathy.

Do not feel that he is gone without trace from a heedless world. Come and stand in the corridors of Leo, look into the classrooms, enter the gym or the cafeteria—what you see in the faces of the boys is a reflection of the spirit and tradition that he has left behind in Leo. That earnest frown when called upon to recite—that happy, fervent laugh, quick to seize upon any humorous situation—that quiet but determined attitude toward studies and games—all these were HIS, and he has left them as a precious heritage to Leo.

His personality is an ingredient of the character of Leo. Look for it fifty years hence and it will still be here.

From The  
**EDITOR'S  
DESK**

The future of Christian civilization, and of the democratic way of life, incidentally, is entirely dependent upon the wide dissemination of Catholic education. Accordingly, religion is brought to the fore at Leo and stressed throughout the school year.

The year commenced with a Mass of the Holy Ghost. On September 25 the school marked the centenary of the death of Edmund Rice, founder of the Christian Brothers of Ireland, with Mass and general Holy Communion. In November Monsignor Shewbridge, Leo's founder, enrolled the freshmen in the Knights of the Blessed Sacrament, a group of which every Leo student is a member.

The first Friday of each month saw the entire student body gather in the school chapel for devotions to the Sacred Heart. In January was conducted the most important spiritual activity of the year, the annual retreat. In May there appeared in each classroom a May altar, symbolizing the devotion the entire school holds for the Blessed Virgin. Also during May one week was set aside as Vocation Week, during which the students were encouraged, with talks and meditations, to give serious thought to the subject of their futures.

One period each day is set aside for the study of religion. During this period the brother becomes acquainted with his students intimately, and strives, by stimulating discussion, by instruction, and by example, to instil higher ideals and sound religious basis for living life fully.

Thus, through four years of high school life at Leo, the Catholic young man receives a comprehensive knowledge of his religion—a knowledge that will aid him immeasurably in attaining the end for which he was created, namely, entering heaven.

## LEO MARKS CENTENARY OF DEATH OF ORDER'S FOUNDER

### Day Observed by General Communion

On August 29, 1844, Edmund Ignatius Rice died and thus ended a life marked by an uphill struggle for Catholic education. To commemorate the centenary of his death, special services were held in the Leo chapel on September 25.

The entire student body assembled in the chapel to assist at High Mass celebrated by Monsignor Shewbridge. After a general Holy Communion Father Robert Devaney, a Leo graduate of 1931 and at present a curate in Nativity parish, sketched the life work of Brother Rice. The students were given the remainder of the day as a holiday.

### *Fr. Robert Devaney*

### LEO ALUMNUS GIVES CENTENARY SERMON

In his sermon Father Devaney told of the lack of religious instruction in the English controlled schools, and recounted Brother Rice's early difficulties, and then of the great vigor with which his ideals spread until his theories of education encompassed the world.

EDMUND IGNATIUS RICE  
BENEFACTOR OF YOUTH

The first centenary of the death of Edmund Ignatius Rice was an occasion which called for world-wide recognition, for the work which this great man initiated has developed to an unprecedented degree. Brother Rice was the first to tackle seriously the problem of education of boys when the penal system in Ireland was coming to an end, and his heroic efforts in that cause have resulted in covering the earth with a network of efficient schools for Catholic young men.

Faced with innumerable discouraging obstacles from the start, Brother Rice nevertheless labored tirelessly and soon his efforts began to show results. The idea spread slowly at first and then with increasing rapidity new schools sprang up steadily, first in Ireland, then in England and thence over the whole earth. Since the death of Edmund Rice, his order has constantly spread, ever cherishing his ideals, yet ever adapting itself to the changing tempo of the times. It cannot help but contribute powerfully to that Christianization of the world which is so widely accepted today as the solution to the world's chaotic condition.

## LEO FERTILE SOURCE OF RELIGIOUS VOCATIONS

The world conflict that is at present afflicting the earth, will one day in the not too far distant future be terminated. But there is another world conflict, and a more important one for which the world is waiting. The army of Christ is fighting for the world's end.

**DON JAMES RYAN**

Leo has always been a fertile source of recruits to this spiritual army. During the last summer holidays five Leo students abandoned secular pursuits to answer Christ's call to arms. Don James Ryan is now studying in the Vincentian St. Mary's Seminary.

George Kunka entered Quigley Preparatory Seminary, and Bart Farrell entered the Irish Christian Brother Juniorate in New York.

Walter Dwyer is finishing third year in the Mt. Carmel Seminary at Niagara.

**BART FARRELL** while Thomas Sheehy is now studying at the Sacred Heart Fathers' Seminary in Donaldson, Indiana. Patrick Butler left Leo in mid-year to enter Quigley.

We are proud to relate that two of Leo's ex-students were ordained on February 24th by Archbishop Samuel A. Stritch, D.D. Rev. Francis L. Johnson graduated from Leo in 1937 and Rev. Eugene J. Calvin attended Leo in 1932 and 1933.

## Msgr. Shewbridge Conducts First Friday Devotions

Every First Friday morning at Leo the entire student body gathers in the school chapel for devotions to the Sacred Heart after having attended Mass and received Holy Communion earlier in the morning in their own parish churches. Benediction is celebrated by Msgr. Peter F. Shewbridge, founder of Leo, after which he addresses the students. These practical tasks are well appreciated for their simplicity and directness.

## CISCANS CONCLUDE ACTIVE YEAR

### *Cisca Moderator*

REV. BR. M. O. O'HEHIR

Since September of 1942, at which time Brother O'Hehir was appointed moderator of Cisca at Leo, this activity has gained an enthusiastic reception among the students. Brother O'Hehir is to be congratulated for the fine work he has done in the past three years as moderator of Cisca.

### Student Interest In Cisca Activities Reaches New High

#### LEO JUNIOR HONORED

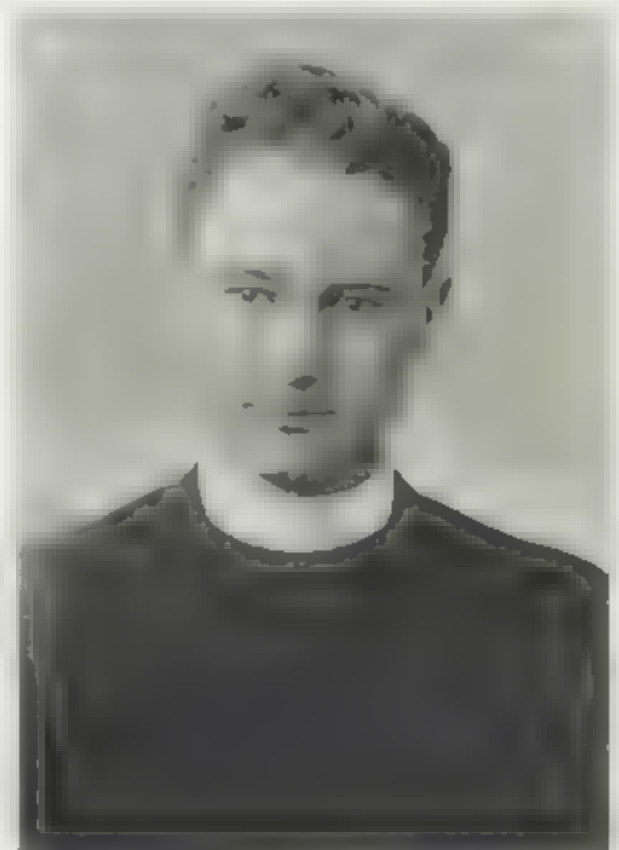

PAUL SOMERS

The purpose of Cisca is to instill a Christian spirit in every phase of the young Catholic student's life — personal and social as well as cultural. In this respect Cisca gives a fine example of how a young man has outdone himself.

The Ciscans gather at Mercy High School each Tuesday afternoon to discuss the agenda for the city-wide meeting held at De Paul University every Saturday morning. Brother O'Hehir leads the Leo delegation to the downtown meetings, where religious problems are proposed and debated under the supervision of a Jesuit Father.

Mercy High School was host to the fifty-second general meeting of Cisca on February 22. At this meeting Paul Somers, a Leo Junior, was elected Vice-President of the entire Cisca organization. Somers was formerly Secretary.

REV. FRANCIS P. McCARTIN, O.M.I.  
*Retreat Master*

Our annual retreat was this year conducted by Father Francis P. McCartin, O.M.I., on January 9, 10, and 11. The edifying, almost monastic silence that reigned throughout the halls of Leo during those three days of grace was eloquent testimony to the unction and inspiration of the retreat master's sermons.

## LEO STUDENTS MAKE ALL OUT MISSION EFFORT

Regular collections for the Propagation of the Faith fund are made in all the religion classes in the school. The students contribute cheerfully to the missions, realizing full well the great work done by this, the most deserving of charities.

"Teach ye all nations" was the divine command, and by donations to the Propagation of the Faith the students are taking a direct part in spreading His word. The work done by our mission priests extends from deepest Africa to the far East. Even in our own country, there still exist isolated sections badly in need of priests.

During the Lenten season contributions to the missions are particularly stressed. Shown

at the left is a group of cheerful freshmen making their daily contribution to the mission box. They are, left to right, David Hafele, Ralph Wille, John Quinlan, Bob Meade, James Lee, Edward Schell, and Thomas McGrath. Brother King, seated at the desk, has done extraordinarily well in securing contributions for the Propagation of the Faith.

Topping the list of classes in the school for mission collections was 1B, shown at the left. The names of these students are Dan Brady, Robert Brady, William Byrne, Benjamin Beazley, Paul Butler, Bill Cook, Dan Cleary, David Ducey, Richard Deuerling, Jim Engle, Joseph Egan, Robert Fruin, Maurice Gullo, Edward Grany, Neal Graney, James Gleeson, Ray Hollstein, Thomas Joyce, Clifford Loreth, Bob Lambird, Edward Mitchell, Willard O'Brien, Edward O'Malley, Theodore Pazure, Guenther Philipp, Martin Quinn, Edmund Rakowski, Don Sullivan, Richard Steinhauer, Peter Vandernorth, Edwin Wood, and Norbert Zakrzewsk.

## Devotion to Blessed Virgin Favored By Student Body

Our Blessed Lady commands reverence and devotion among Leo's students and faculty. Each spring, during the month of May, the members of each class erect their own May altars, and make a special effort to make them both beautiful and inspiring.

The picture at the left shows three students pausing during a busy school day to ask Our Divine Saviour to send down upon them His guidance and help.

# SENIOR CLASS HISTORY

## Freshman Year 1941-1942

In September of 1941 Leo welcomed what was then the largest freshman enrollment in the history of the school. That the class of '45 was determined to make a go of things from the start was evident when the names of 59 freshmen were included in

the list of 140 honor men for the first quarter. The Science Club, for the first year students exclusively, was organized by Brother Lyons with Bob Devane, Pat Barnes, Ed St. Ville, and Ed Eckel as officers of the club.

We even had our own football cheers, and we practiced them diligently for two weeks preceding the Carmel game. Although Henry "Babe" Baronowski may have had more to do with the score than we did, Leo nevertheless thoroughly trounced Carmel, 34 to 7. That was the year Leo met Tilden in Soldier Field, defeating the public school champs 46 to 13.

And on Sunday, December 7—but that is history. A full realization of the meaning of war came only gradually, but in a short time the entire student body enthusiastically supported the first of several war bond campaigns and scrap drives conducted in the school.

Along towards spring the "bennies" again got the jump on the rest of the students by enlisting in the Navy plan for the construction of model airplanes, to be used in training Navy men in aircraft recognition. Under the supervision of Brother O'Quinn and Brother Lyons, a total of 240 scale models were completed and turned over to Navy officials. Scores of us proudly regarded our bruised and scratched fingertips as mementos of a good job well done.

## Sophomore Year 1942-1943

In the fall of '42 Leo produced one of the greatest high school football teams the city had ever seen. Led by such stars as Bob Hanlon, Don Murphy, and Bob Kelly, the Lions found the Catholic League a pushover, and went on to crush Tilden for the

second straight year in the Kelly Bowl, 27 to 14.

The Christmas offering of the Dramatic Club was a one-act play, "Our Lady's Tumbler," directed by Mr. Robert M. McKenna, and featuring Bud Donlon as the unlettered monk. The Dramatic Club also prepared two short plays for the Easter entertainment. The cast for the feature play, "Dress Reversal," included two sophomores, Bud Donlon and Bob Devane.

Four sophomores made the first string lightweight basketball team that season. You should remember Jack Carlson, Dick Kloser, Bob Kozlowski, and Bart Murphy.

## Junior Year 1943-1944

Juniors! After two years of diligent work as "scorned" frosh and sophomores, we emerged upperclassmen. Six of our number made the first string Lions. At left end was Ray O'Donnell; at left tackle, Roy Hall; left guard, Don Simnick; right guard, Frank

Buttimer; right tackle, Jack Kopshever; and at quarterback, Bob Kozlowski.

The following April witnessed the most spectacular presentation ever put on by the Dramatic Club. Irvin Donlon, Walter Bronson, Bob Mahoney, and Dan Norton were included in the cast of George F. Hummel's Broadway hit, "The World Waits." In February Brother Croke, moderator of the Oriole, appointed Bob Devane Editor-in-Chief and Andrew Placco News Editor, while Joe Linehan continued as Feature Editor.

The most outstanding school event of that spring was the announcement that Joseph T. Gleason would succeed A. L. "Whitey" Cronin as Leo's football coach.

## Senior Year 1944-1945

That Mr. Gleason was capable of upholding the great tradition left by former Leo football teams was evident by the fact that Leo finished a strenuous league season with but one defeat, and that to a team that went on to the Kelly Bowl. In a close, tight

game, Weber beat Leo 6 to 0, but later was vanquished by Tilden 13 to 7.

The accelerated class graduated on January 22. This class consisted of thirty seniors who were placed in a special section in order that they might finish their high school courses before entering the armed forces.

Included in the formidable line-up of the heavyweight basketball team of 1945 were Frank O'Grady, Martin Burns, Ray O'Donnell, Tom Nicholson, Bart Murphy, and Don McAuliffe. As for the lights, the fine teamwork of Bob Kozlowski, Gene Flaherty, "Bucko" McGinnis, Dick Kloser, and Ted Moskal is something not easily forgotten.

In February we elected our class officers. Joe Gump was voted President, Martin Burns Vice-President, Joe Heerwaern Treasurer, and as Secretary, Jim Hannon. The second semester of our fourth year went by all too quickly. Class rings, diplomas, graduation, the yearbook and the senior prom—all these occupied our thoughts. We were the graduating class of 1945.

We are faced with a world marked by the social, economic, and political scars of war. On our shoulders rests the responsibility of aiding in the restoration of peace and effecting the prevention of future national conflicts. With the help of God we will accomplish that task.

The Fathers' Club commands the respect and admiration of the entire student body, for it is this club that promotes most of the extra school events held throughout the school year. The annual football and basketball banquets, held to honor the members of Leo's athletic squads, the band, and the faculty, are sponsored by the Fathers' Club. It is this group, too, that provides the necessary financial backing for the junior and senior proms. The Fathers' Club also conducts monthly skating parties at St. Sabina Community Center.

General meetings are held in the school auditorium once a month. Ingenuity and industry has been shown in making these gatherings both varied and appealing. One featured sports moves another, billed as a variety entertainment and "open house," attracted 1000 fathers and sons—the largest such meeting in the history of the school.

The officers of the club, with Brother Terry, club moderator meet weekly in the school library to plan and arrange their activities. The LION extends its thanks and congratulations to Brother Terry and the men of the Fathers' Club for their fine work in the past school year.

## THE LION

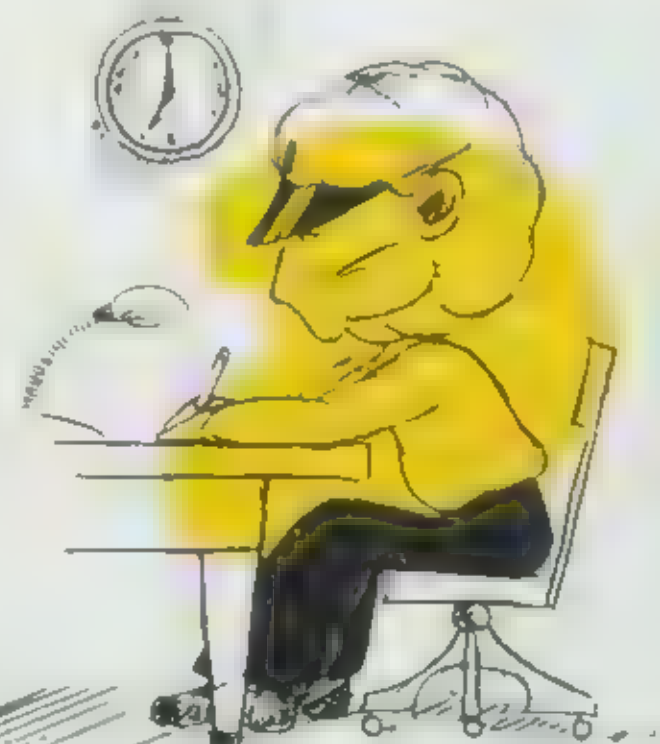

It is not without a slight feeling of pride that we present the 1947 LION. The LION staff this year was confronted with wartime regulations and red tape as had never been experienced by any previous annual staff. Nevertheless, we confidently feel that we have retained the high standard of former volumes of the LION.

All advertising was done away with to conserve paper. For the same reason, extra care was used in the planning of each page in order to utilize all space possible.

We take this opportunity to thank the principal and faculty for backing our efforts, and the students for their enthusiastic response to our subscription and patron drives. We thank especially Mr. Roche and Mrs. Samels of Root Studio; Mr. Motherway, Mr. Mann, and Mr. Gage of the Pontiac Engraving Company; and Mr. Buckhart and Mr. Clarke of the Clarke-McElroy Publishing Company, whose kindly efforts were all the more appreciated because they were working under severe material and labor shortages.

# THE ORIOLE

## SCHOOL PAPER HAS ACTIVE YEAR

For seventeen years Leo's school paper, the Oriole, has been one of the most appreciated and well-liked of the school's varied extra-curricular activities. Brother Croke, moderator of the Oriole, has had considerable experience with school publications, and under his direction the paper has achieved a popularity it has rarely, if ever, reached before. Edited by a capable, eager staff, it provides an accurate record of school events, together with feature articles and editorials, which combine to form an excellent, well-balanced newspaper.

No recommendations are laid down for staff members other than that they must be honor English students, and be interested in journalism. Most staff members begin in first year and as they grow in experience and ability, take over key positions on the staff.

Due to war restrictions, the number of issues published each year has been cut down, but this is more than made up for by the fact that superior quality is a result of the longer time available for preparation of each edition. The LION salutes its brother journalists, and congratulates them on their excellent work of the past year.

### LEO BAND ACTIVITIES

Leo's concert band, composed of about 120 students, is the most popular extra-curricular activity in the school—excluding sports. The band members practice diligently for an hour and a half each morning, and the enthusiastic response which greets the band at all its appearances is proof enough of the success of these early morning practices.

The band is featured at all entertainments held in the school throughout the school year, and lends a gay touch to the pep meetings held before important football and basketball games. During the football season the music-makers played at every game, and were welcomed, not only for their excellent renditions of football songs and marches, but also for their unique cheers and marching formations.

The band's activities are climaxed each year by Leo's annual spring concert, this year held in the middle of May. These concerts are well attended by both the students and their parents, and have played a major part in securing for the band the popularity it now enjoys.

### LEO BAND PERSONNEL

Brother Terry, moderator of the band, has held this position for the past two years, having succeeded Brother Collins, who was transferred to Cardinal Farley Military Academy in New York in the summer of 1943 after seven consecutive years as moderator of the band. There is naturally a great deal of effort involved in taking charge of a band, and under Brother Terry's influence and direction Leo's band has achieved a high standing among the high school bands of the city. Mr. Guido Mattei, conductor of the band, has had wide experience in the field of music, and is well known for his excellent conducting. The artistic success of the band is due not only to his expert technique in teaching, but also to his charm of manner.

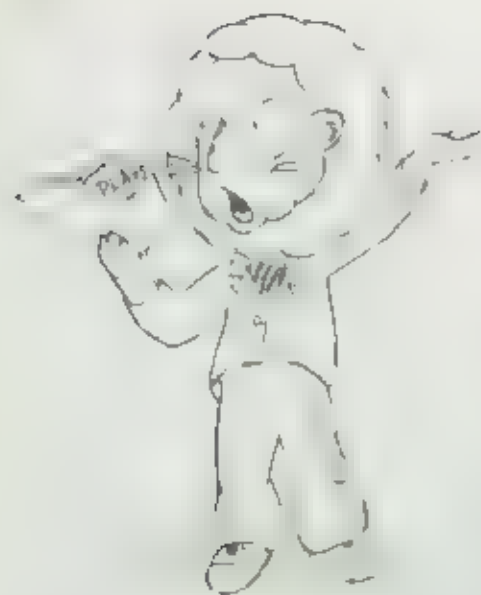

Outstanding in the various sections of the band are Bill Arzbaeher, trumpet; Don Walsh, clarinet; Jack Richert, saxophone; Irving Forster, trombone; Jack Scully, baritone; Dan Norton and Harry Fitzsimmons, drums; and Larry Cunningham, French horn.

## DRAMA

STANDING: John Bradshaw, E. F. Mahoney, Edward Powers, Chamberlain, Kenneth Sana, D. F. McNamara, Fred Evans, William, Lawrence Brophy, George

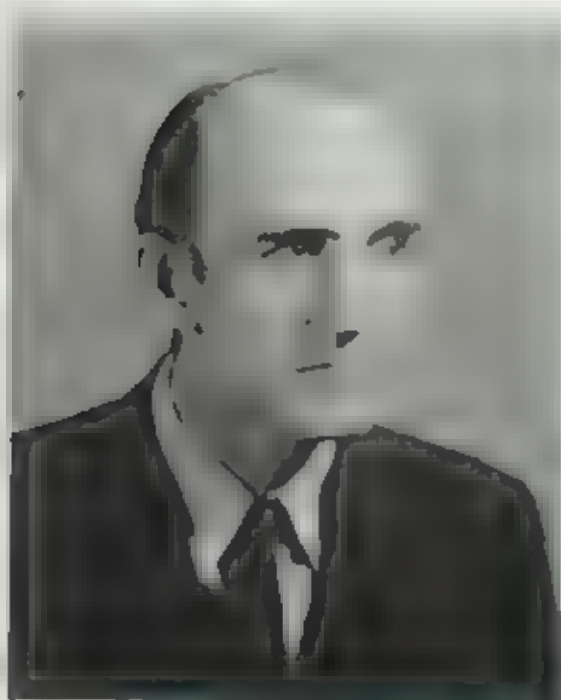

SEATED: Mr. Fahey, Joseph Hen, Jack McInerney, Daniel Norton, John Philipp, Brother Gaskie

FRONT ROW: Dan Truesdale, Edward O'Hara, Irvin Donlon, William Walsh

Leo's dramatic club was under new management this year. Brother Gaskie and Mr. Fahey succeeded Brother Lyons and Mr. McKenna as moderator and dramatic coach, respectively, of the group. Under their direction two outstanding plays were produced in the past year. "The Mysterious Stranger," a one-act Christmas play, was presented on December 19 and 20. In April the dramatic club outdid itself with the presentation of "Lucifer's Lodge," an eerie hair-raiser in three acts.

Three seniors and two juniors made up the cast of "The Mysterious Stranger." The play was concerned with three down-and-outers who found their way back on Christmas Eve. Bud Donlon was cast in a difficult role, symbolizing the spirit of Christmas. Bob Hylard lent a comedy twist to the play as Bill Hoskins, a full-fledged hobo.

MR. J. C. FAHEY  
*Director*

As an illustration of the dramatic club's ambition and ability, two separate casts were used in the several performances of "Lucifer's Lodge." Such an arrangement gave more students who were dramatically inclined an opportunity to gain experience and display their talents.

No less than four separate villains were involved in the plot. George Lagoni was cast as the wolf-man; Dan Norton was a cannibalistic old German. Dr. Lucifer, the sinister scientist about whose insanity the play revolves, was played by George Chamberlain and Dan Truesdale. Art Zeraga took the part of Kuku, the head-hunting Jivaro Indian. The setting of the play was in a lonely New England farmhouse. "Lucifer's Lodge," was something novel to Leo and will long be remembered as one of the most remarkable plays ever presented by Leo's dramatic club.

### CHORISTERS HAVE ACTIVE YEAR

Leo's Glee Club this year consisted of over seventy freshmen and sophomores, directed by Brother Bradley. The choristers practice twice a week, on Monday and Wednesday afternoons. The result of their diligent practice is well apparent, for the group is noted for its rich interpretation of popular and semi-classical selections.

The first public appearance of the choir this year was at the Christmas entertainment, in which they sang Christmas carols in three parts. Later in the year the group added zest and variety to the Easter entertainment. At both senior graduations, too, the Glee Club turned in notable performances.

For the past two years Tom Monahan, sophomore, has been featured with the choir as pianist. The leading soloist is John Sink, who this year sang at the Football Banquet and in the Cisca concert for the South Side. Excellent solos have also been turned in by Tom Birmingham and Harold Ballatin. The Glee Club is featured at all school concerts and religious functions, and is welcomed as a charming interlude at dramatic presentations.

## SEASON'S RECORD

### PRE-SEASON GAMES

With a night game against St. George, the Leo Lions opened their first season under their new coach, Joseph T. Gleason. The Dragons scored first and converted to lead 7-0 at the half.

Our score came in the third period with a pass from Borrelli to O'Donnell. McNulty converted to tie the game, 7-7. In their second game, the Lions were unable to cope with the veteran Tilden Blue Devils, succumbing 25-0. The game seemed a walkaway at times, but the Orange and Black fought steadfastly to the last minute of the game. In their next game, against Loras, the Lions demonstrated a powerful scoring punch. In the first quarter Don McAuliffe and Andy Gallagher tallied. The Day's scoring was closed by McAuliffe by a marker in the second and another in the third period. The final score was 26 to 6.

### LEAGUE GAMES

#### Leo 34 - Loyola 6

This opening league game gave promise of a good season for Leo. The Lions were wide-awake and hustling, profiting by all mistakes. A fumble and two pass interceptions accounted for three touchdowns.

The first marker came in the middle of the second quarter, by Andy Gallagher after a 50 yard drive. Soon afterwards McGinnis raced 60 yards on an intercepted pass for the second touchdown. "Kozzie" scored his in the fourth period on an end run for ten yards. A pass from McAuliffe to Marsailes

scored soon afterward, after a fumble recovered by Kurtz. The final score was on a second intercepted pass, by Jack Nagle.

#### Leo 12 - Carmel 7

Our "underdog" Leo footballers gained vengeance on the Caravan for the 6-6 tie of last year by trouncing them 12-7. Both of our tallies came in the first quarter by Don McAuliffe, on runs of 45 and 20 yards. Carmel was unable to overcome this lead, though they strove desperately. Their only score came on a pass from Mullins to Van Loon in the wild second quarter. The last half was a stymie, with neither team able to score. As in all Leo-Carmel games, the spirit was

explosive, the air tense, and the players keyed up.

#### Leo 0 - Weber 6

The Lions entered this contest with their eyes on another championship, but were beaten by a tough, fighting Weber team. The Little Davids, led by Hermie Miscowicz, thwarted our every effort. We showed little or no power until the third quarter, when we made our greatest threat, only to have this stopped on the thirty-five yard line. It was a tough, bruising game, played for high stakes, with the winner taking South Section and All-Catholic honors.

#### Leo 30 - Rita 13

The larruping Lions entered this game with revenge in their hearts, determined to wipe out last year's 12-6 setback. Our first score, a 40 yard jaunt by Bill Smith, came as a result of a pass interception by Frank Buttmer.

Bill Borrelli matched this soon afterwards by a 39 yard run. A pass, Borrelli to Marsailes, set up Smith's second marker, this time a run of 9 yards. Rita's scores came in the second and third quarters, one by a blocked kick.

The fourth quarter showed another surge of lethal Lion power, with two touchdowns being registered by Charlie Hall, his first made possible by McAuliffe's aerial to Marsailes on the 1 foot line.

#### Leo 18 - Joliet 12

Still with hopes of taking the section, Leo went all out to down the hard-fighting Hill-toppers from Catholic Central, Joliet. The game followed the usual pattern with most of our scoring being done in the first period. Borrelli started things off with a two yard plunge for 6 points, climaxing a 45 yard drive. Shortly afterwards Bob Kozlowski scored on a pass from McAuliffe. Joliet scored early in the third quarter at a result of a fumble which was quickly matched by a score by Don McAuliffe. Joliet closed the day's scoring with a 20 yard pass into the end zone.

#### Leo 21 - De LaSalle 2

To close successfully their first season under coach Joe Gleason, the Lions took the measure of D.L.S. 21-2. The first touchdown came in the first period when Don McAuliffe passed to Koz-

lowski, who raced 12 yards for the marker. Early in the second quarter Bill Smith scored the second touchdown on a 15 yard end run. Madden's kick was good, making the score 13-0. DeLaSalle's only score came just before the half when Don McAuliffe was trapped behind the goal line for a safety. In the third quarter, Kozlowski ran 72 yards for the last touchdown of the game. The final score was a safety yielded by the Meteors.

FOURTH: Dan Henry, Art Skinner, Peter Filipas, Ray Lagoni, Don Dolmetsch, George Burgess, Salvator Catanzaro, Al Moran, John Ziegler. (Jack Quirke was absent when the picture was taken.)

## Leo 13 - Chicago Vocational 0

The Lightweights scored their initial success by downing C.V.S. at our home field. The first touchdown was scored by Johnson from the ten yard line after a recovered fumble. The second and final touchdown came in the fourth quarter by Krose after Brophy blocked a punt.

## Leo 30 - Tilden 0

Leo scored early in the first period, with Schick carrying the ball. In the closing minutes of the quarter McShane scored the second touchdown. The third marker of the half, made by Johnson, climaxed a drive headed by Henry. The third quarter showed Smith romping for two markers on end runs of 25 and 35 yards. The final period was scoreless.

## Leo 6 - South Shore 0

The lights here met one of their toughest opponents. The scoreless first period was followed by a thrilling second in which Schick ran 65 yards with an intercepted pass for the only score of the game. South Shore attempted to rally but was stopped on the two yard line in the last minutes of the game.

## Leo 6 - Rita 0

from the one foot line in the opening minutes of play. Our score was the result of a 75 yard run by Henry in the second quarter. The second half was a fruitless battle in which neither team was able to cross their opponents' 20 yard line.

## Leo 25 - Parker 19

The game got off to a slow start with no score being chalked up until Schick plunged 15 yards for a touchdown in the second quarter. The half ended with Parker scoring the first touchdown of the year against the lights. In the third quarter Parker forged ahead 19-12, Johnson scoring for us. The fourth quarter showed the lights scoring twice in the last minutes of play. Henry scored and converted to tie the game 19-19. With 59 seconds left to play McGuire raced to the five yard line and Johnson plowed over with four seconds remaining.

## Leo 21 - St. Philip 0

Leo traveled to Garfield Park to defeat St. Philip 21 to 0. Schick scored in the first quarter and Henry converted. The next score came in the third quarter by Henry who converted again. Johnson scored in the fourth period from the two yard line.

## HEAVYWEIGHT SQUAD

Joseph "Red" Gleason after his first year of coaching at his alma mater may well be proud of his record. His first place senior basketball team is testimony to his ability. In football also his team had an enviable record. He graduated from Leo in 1932, playing basketball and football. From here he went to Notre Dame where he lettered in basketball, baseball and football. After graduating in 1938 he took a coaching position at Central High, Hammond, Indiana. He went to DeLaSalle from his Hoosier post in 1941 where he headed the basketball and football staffs. At DeLaSalle he produced fine teams with numerous outstanding athletes. All his teams are characterized by a doggedness and fighting spirit that are typical of himself. It is our sincere hope that our teams will continue to hold the high position they now hold under our new mentor.

### BROTHER FINCH LIGHTWEIGHT COACH

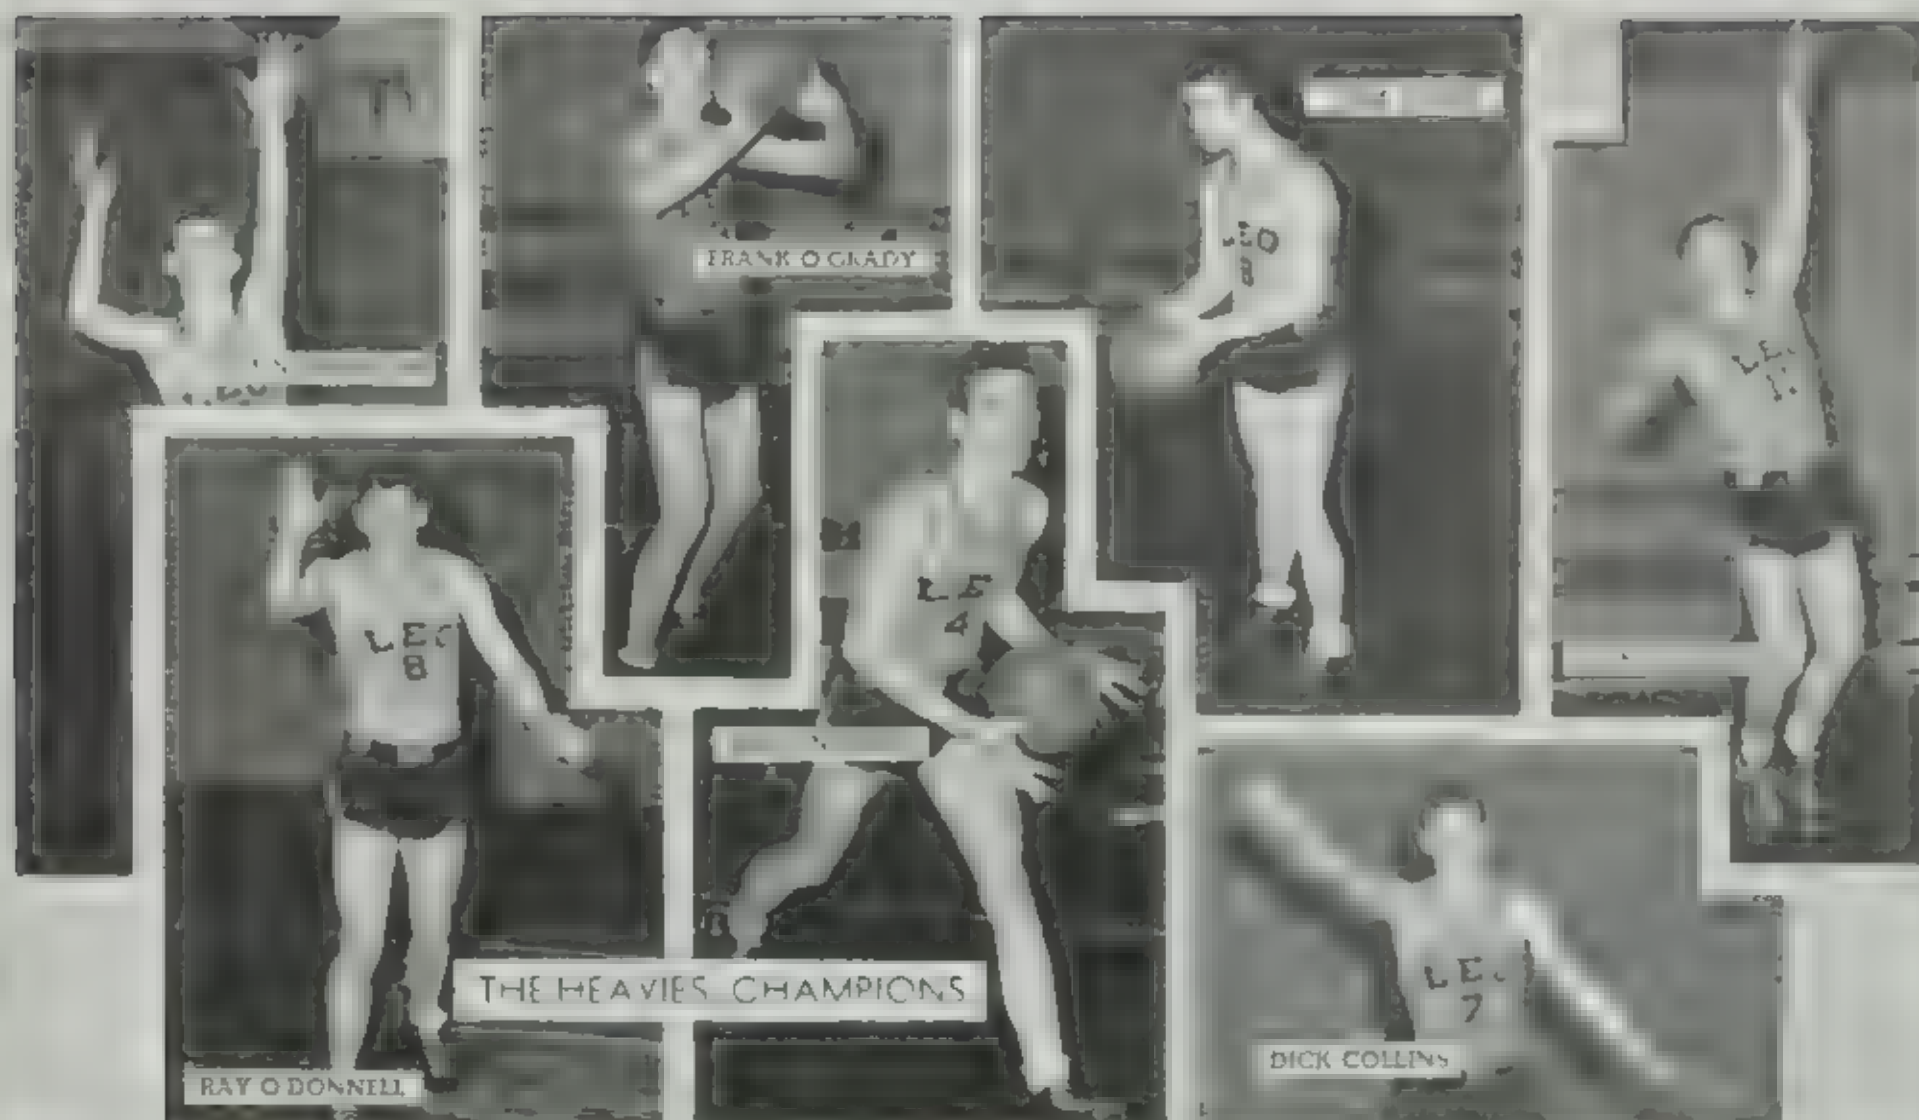

Brother Finch, Director of Athletics at Leo since 1941, is enjoying a successful year as coach of our lightweight team. Last year he coached both heavies and lights, each of these having very fine records. This year's junior team may be regarded as the special product of Brother Finch's coaching genius since he had charge of them as bantams in their freshman year. Brother Finch himself is an enthusiastic athlete, playing a good game of both basketball and tennis. He has been a member of the faculty since 1938.

## HEAVYWEIGHT SEASON'S RECORD

The first season the Leo Heavies spent under the direction of Joe Gleason was a highly successful one as their record shows. The Lions won 23 games and lost but 4, winning more than 85% of all games played. They amassed a total of 1,035 points, for an average of 38.3 points per game, while allowing their opponents only 748, or an average of 27.7 points per game.

The Lions opened the season at St. George, where they won in an overtime period, 33-30. They then rolled over Morgan Park and Parker by the respective scores of 37-18 and 52-24. They defeated St. Ignatius 38-20 in their first home game, after which they overcame Loras 32-24. Harper was next, losing 34-24. The Lions once again defeated Parker, this time by a 14-27 score, and rolled over Hirsch 40-26.

In the St. George Tournament, the Heavies easily defeated St. Michael 41-23, but were subsequently beaten by St. Philip 42-30, and thus eliminated from the tourney.

The Lions met De La Salle in the league opener, and though they trailed most of the way, they finally won 31-30. They next defeated Weber 31-31. However, luck then seemed to desert them, for without the services of O'Grady and Collins, they again bowed to St. Philip 47-32, and were edged out by St. George 34-33. They again got on the victory trail by defeating Carmel 34-23, and the following week defeated St. Ignatius 24-21 to take undisputed lead in the south section, a lead they never relinquished. They overcame Loras 45-21, and trampled Loyola 45-20.

The Lions then sped through the second round without mishap. They easily overcame De La Salle 42-23, and beat Weber 41-31. They took a 34-25 decision from Carmel, overcame St. Ignatius 42-30 to clinch their title, and then trounced Rita and Loyola by the respective scores of 50-35 and 76-27. On March 17 Leo met Calumet, and though Cal took an early lead, the Lions came back to win 37-25.

The Black and Orange entered as underdogs the title game with St. Philip, and though they lost 35-30, they turned in a creditable performance. The first quarter was fairly even, but Philip pulled away in the second and enjoyed a 21-11 lead at the half. The Lions bounced back in the third period, however, and tied the game up. Philip again took the lead in the closing minutes, and though the Lions fought valiantly, time ran out while they were still three points behind.

## LIGHTWEIGHT SEASON'S RECORD

Leo's Lights need no introduction. Their record speaks for itself. They won 27 out of 30 games—exactly 90%—and brought Leo its first A-City Title. Their driving offense netted 224 points, averaging 42.5 points per game, while their equally good defense held their opponents to 70.7 points, only 23.6 points per game.

The Lions opened the season by trouncing St. George 49-20, then defeated Marian Park 55-18 and conquered Parker 51-17. In the first home game of the season St. Ignatius fell 44-33. Leo then downed Harper 60-15, again beat Parker, this time 37-18 and defeated Hirsch 37-23.

They met St. George in the first round of the Fenwick Tournament and won 39-17. They then advanced to the semi-finals by defeating Carmel 26-21 but lost to St. Philip 38-27. They bounced back however to defeat Fenwick 40-22 and take third place.

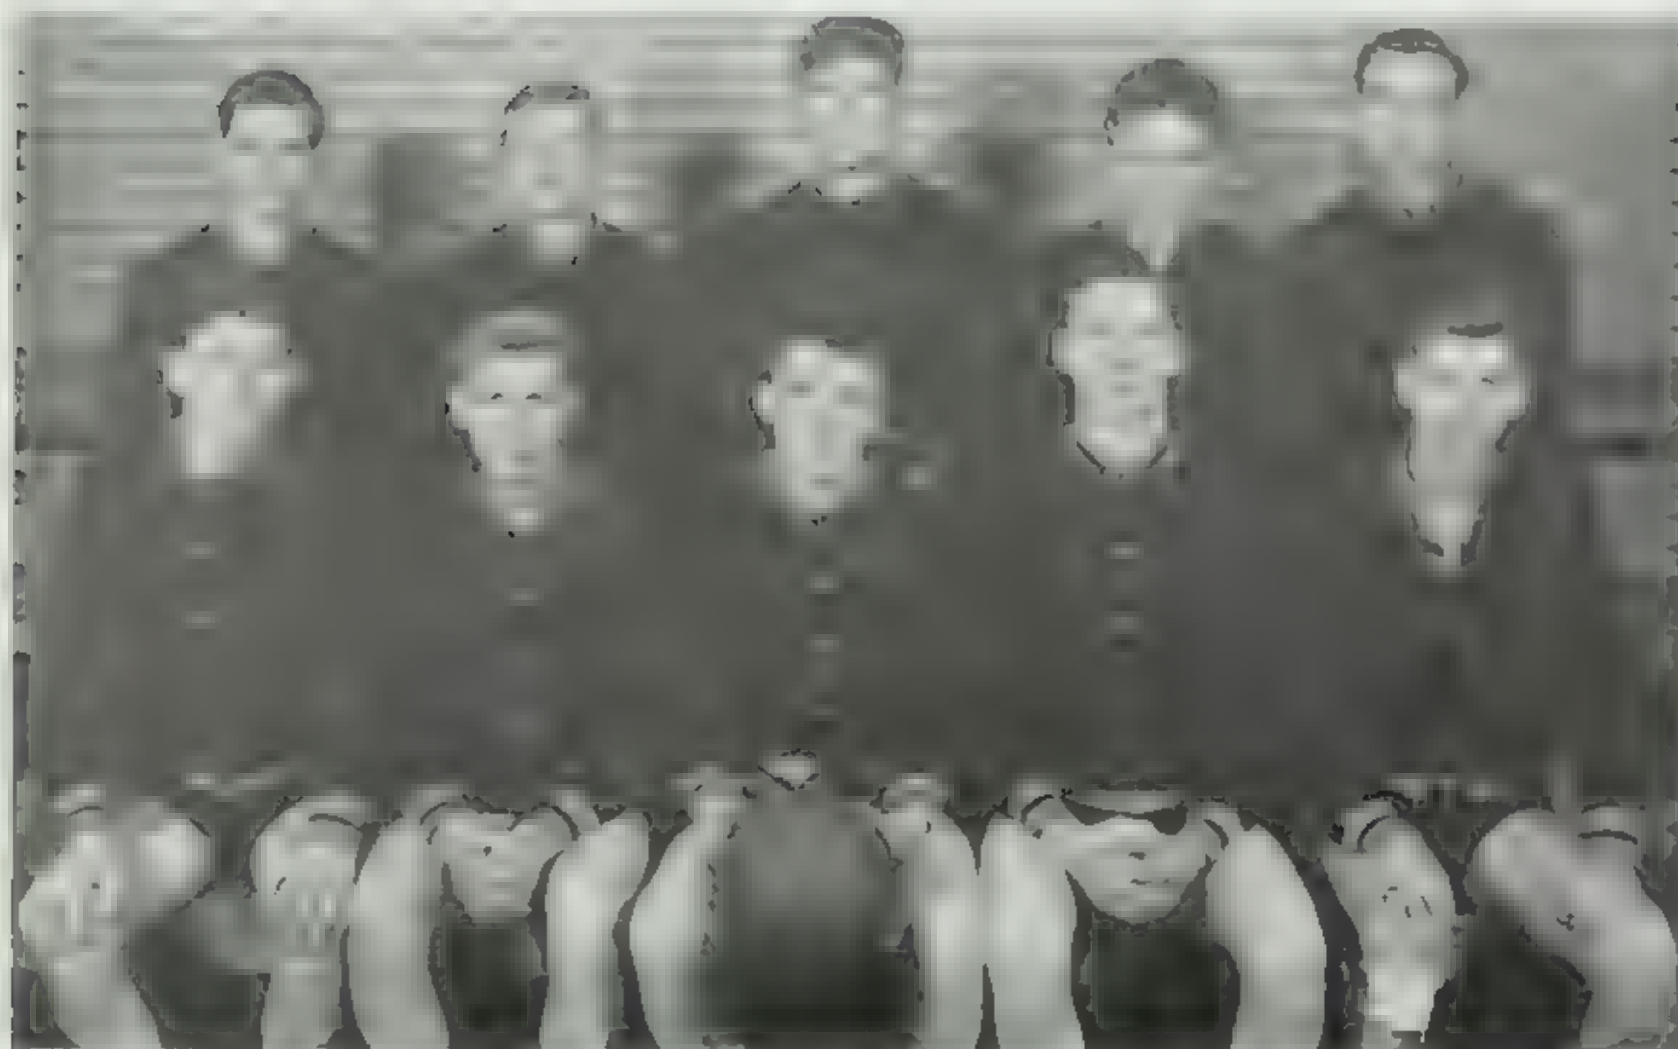

The Lions lunched out De La Salle 31-30 in the League opener but the following week were defeated by Weber 29-24 in an overtime period. They then defeated St. George 34-17 but lost to St. Philip 38-37. Leo overcame Carmel 37-32 after which they trounced Sunset and Lindholm 43-24 and 57-27. They overwhelmed Rita 63-10 and Loyola 56-18.

The Lights coasted through the second round without too much trouble. They defeated De La Salle 38-27 and gained revenge by downing Weber easily 35-27. Carmel then took a 41-19 shellacking and though Sunset caused some worry Leo won out 28-31. A 32-23 victory over Rita and a 64-24 decision over Loyola ended League play, after which Carmel was defeated 45-22.

Leo was now tied with Weber for the South Section Title. In the playoff game Leo gradually increased its early lead until the beginning of the 4th quarter when by use of their familiar starting game they held a 6 point advantage to win 31-25.

In the Catholic Championship game Leo had a close call, losing St. Philip 30-28 after having started their 4th quarter still while leading 28-20. In the City playoffs Marshall, with a record of 117 wins out of 119 games, was favored to win and bounced off to a 7-2 lead. The Lions however soon deciphered Marshall's style of play and led 10-8 at the quarter, 19-13 at the half and 31-20 at the third period. The 15,000 fans packing the Stadium applauded vigorously at the brilliant starting game which lasted the whole 4th quarter to end the game 34-26.

If we regard Leo's teams as "big league" as we may well do then we can refer to our Bantams and Reserves as our "minor leagues." It is from these that our future teams must come therefore it would be well for us to look into their records. Both squads have enjoyed an enviable record this season ending a tough schedule with nine wins out of ten. The Reserves were led by Bagley and Skralby, the former hitting on long shots and the latter very effective on rebounds. As for the Bantams it goes unsaid that Don Strasser and Bob McCue were mighty potent. The Reserves were coached by Brother Connely who may well be proud of his handiwork. He has succeeded in instilling in them a fighting spirit that cannot be downed. The Bantams on the other hand were coached by Brother Finch using the same system as the Lights.

### SPEEDSTERS PRACTICE DAILY AT SHEWBRIDGE FIELD

Until the last four years which most of us seniors like to think of as the Golden Age in sports at Leo track was considered by many students a minor sport. In that short span of years the ability of the squad as a whole and some of its outstanding members in particular have done much to dispell these thoughts.

The senior track team of this year is paced by such able athletes as Ray O'Donnell, Bob Kehoe, Bob Collar and Dick Wheatley. O'Donnell especially should be commended for his fine work. Among the more than promising junior trackers are Jack Greene, Frank McGuire and Dan Henry.

Our cinder teams compete with all of our south side rivals and some public league teams. Each year Leo is represented at the Loyola relays where invariably they succeed in upholding the high standards of sportsmanship and fine athletic record of Leo.

Comes the balmy spring weather that turns the poet's mind to other things our track teams are burning up the paths in preparation for the city meet. To place in this meet is the desire of a cinder star. But to give credit where it is really due we must thank Brothers O Quinn and Piton for the long hours spent with the teams and the unselfish efforts of Marie X. Mungovan, the gentle and experienced coach of both squads.

## SWIMMING

The swimming pool is open to the students every week-day afternoon. From 3 00 to 3 45 it is reserved for beginners and those trying for berths on the teams. After 3 45 the teams practice. The junior team consists of freshmen and sophomores only. By their fine showing of the past year the juniors hold great promise of developing into an excellent senior team in coming seasons.

### DIVERS

Jim Garrey, Bernard McGinnis, Jack Richert, Tom Blais

Ability and experience combine to make the seniors one of the finest swimming teams that has ever represented Leo. Outstanding among the swimmers of this team are Jack Richert, Mickey Kopchak, and Ed Kelly. The seniors finished an excellent season and secured high rating in interscholastic meets. Brother O'Keefe and Mr. Klonowski, swimming coach, are to be congratulated for the fine results achieved this year.

The splendid music and cheering of the band was always an inspiration to the team and a good example to the students. This picture shows BILL ARZBAECHER and BILL DILLON tuning up

Before and after pictures of DEANE THOMAS taken the night of the Football Banquet . . . before and after being elected 1945 Captain.

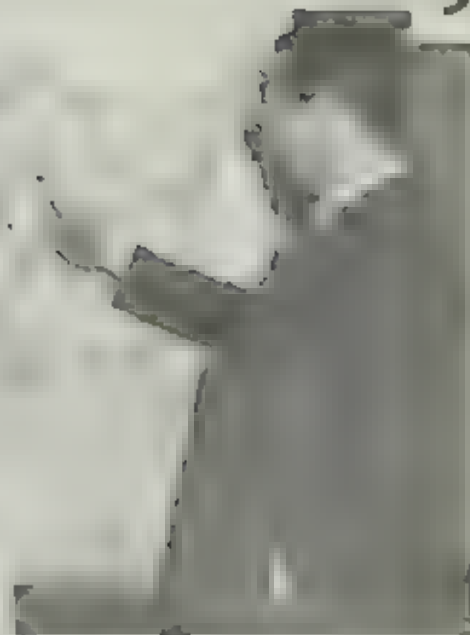

A flashlight picture taken the night of the Annual Football Banquet at St. Sabina sponsored by the Fathers' Club. Easily identified are, left to right: TOM BERKENMEYER, LEE GERBER, JOE GRAFF, TOM HARTNEY, DAN RYAN

The scene of many a stirring battle — the famous home of the Leo Lions — Shewbridge Field at 74th and Aberdeen

## ILLUSTRIOUS SENIORS

(above) RAY O'DONNELL and FRANK O'GRADY were chosen as members of the South Side Catholic All-Star team

IRVIN "BUD" DONLON, Leo's dramatic perennial, has had a major part in every play in the past four years.

ANDREW PLACCO placed second in the South Side trials of the American Legion Oratorical Contest

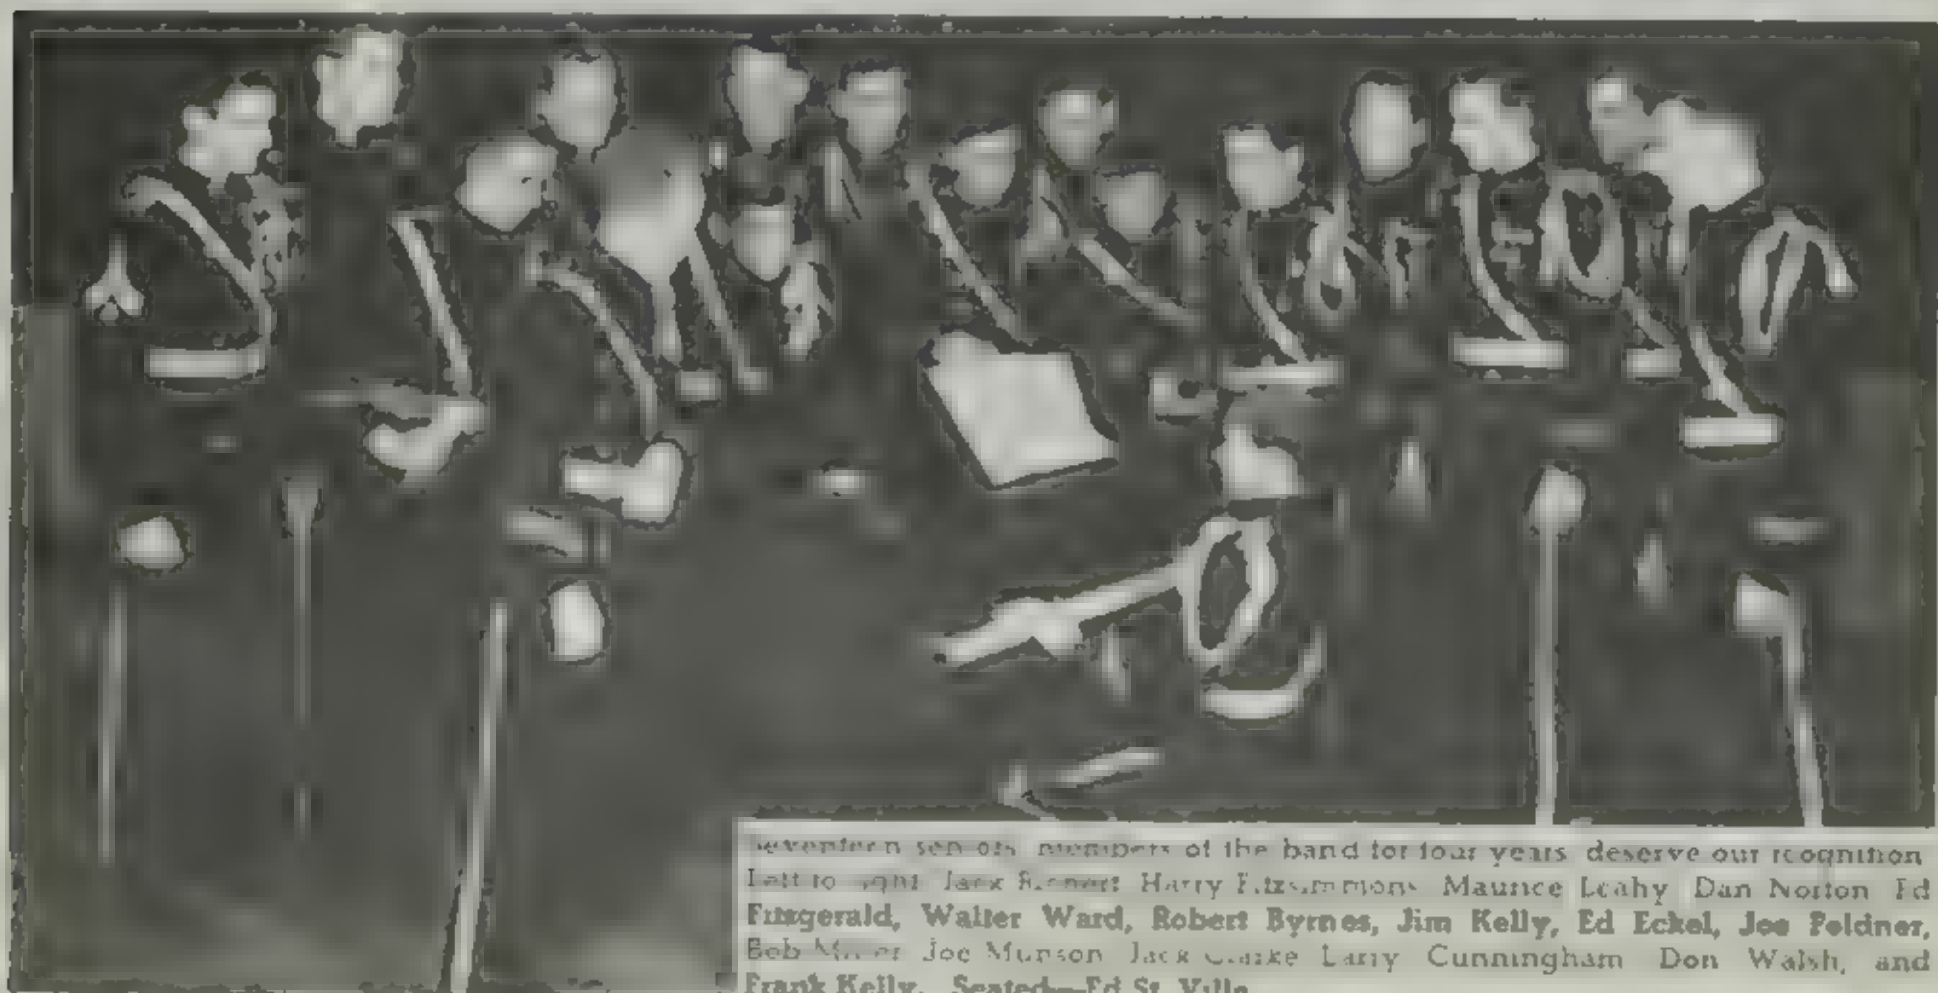

PROFESSOR DOLL gives a few last minute tips to FRANK SMUDA, LEO'S entrant in the Hearst American History Contest

The student conductor of the Leo band, DON WALSH is shown here in action at the Band Concert.

We are sure you could not turn the pages of this book without noting the whimsical Wee Willie Lion, in some thirty poses, cavorting hither and yon. Above is seen his creator and master, PAT MOORE, at work.

Seventeen seniors members of the band for four years deserve our recognition. Left to right: Jack Robert, Harry Fitzsimmons, Maurice Leahy, Dan Norton, Ed Fitzgerald, Walter Ward, Robert Byrnes, Jim Kelly, Ed Eckel, Joe Feldner, Bob Miller, Joe Munson, Jack Clarke, Larry Cunningham, Don Walsh, and Frank Kelly. Seated—Ed St. Ville

FATHER FRANK JOHNSON who graduated from LEO in 1937, celebrated Mass for the student body on March 9th in the LEO chapel. He was ordained Saturday February 24th, 1945. He is shown here with FATHER DEVERLAUX and BROTHER MCCARTHY

Surrounded on all sides by legions of Carmel players, FRANK O'GRADY lets go a one hand

(above) Now we get to see O'GRADY'S two hand shot as he breaks through to the basket

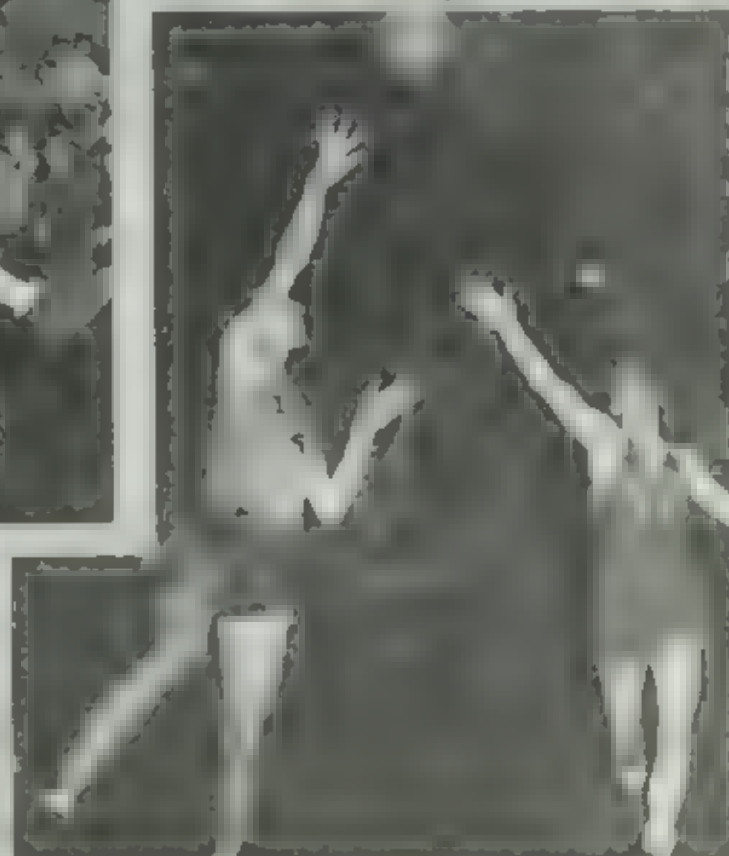

(below) MARTIN BURNS loops one in from the pivot

TOM McAULIFFE is after the rebound but it looks as though DICK COLLINS (behind him) will have a better chance for it

MARTIN BURNS is head and shoulders above everyone on this rebound. BART MURPHY (6) decided not to compete.

## SPECIAL DONORS

The Editors of the 1945 LION wish especially to express the r gratitude to the friends of Leo listed below. War Production Board regulations dictated a sharp decrease in paper consumption which we decided to effect by dropping advertisements. Yet these friends, who ordinarily take a full page advertisement in the LION, without hesitation subscribed the full amount as an outright donation
